

NORTH 180 LASALLE

180 North LaSalle Composting Program

Dear Tenants,

We are pleased to provide you with the following quote to enroll in 180 North LaSalle's Composting program.

One-Time Costs:

1 Composting Starter Kit: Includes 1 23-gallon Waste Container, 1 Green Vented Lid, Signage kit, a case of compostable liners and a 3 pack of filters.

Composting Starter Kit.....\$95.25
Estimated tax & shipping.....\$40.00

Estimated Total: \$135.25

On-going Costs:

As of January 2022, tenants will no longer be required to purchase compostable liners. Compostable liners will be provided by the building. Composting bins are typically emptied twice a week, based on your office needs.

A carbon filter should be replaced every six months, and a pack of three can be purchased upon request by contacting Building Management.

Carbon Filters (pack of 3).....\$5.75 (plus shipping and handling)

Please acknowledge your approval to join in on 180 N LaSalle's composting program by signing below and returning to : hillary.snodgrass@hines.com . If you have any questions, please call (312) 827-7814.

Sincerely,

Hillary Snodgrass
